# ChangeMakers Refugee Forum Youth Leadership Project 2010

**If you want to do something for the youth in your community, we want to help you.**

Our Youth Leadership Project is for young leaders who want to do something for youth in their community, but are not sure where to start.

We'll provide:

- Support to develop and carry out a youth project for your community
- A youth worker who can mentor you while you complete your youth project
- Help to find an adult in your community who can support you
- Training workshops on fundraising, facilitating, working with young people, project planning, budgeting and leadership skills

So, if you are:

- Aged 18 to 29
- Motivated and energetic
- Keen to build on your leadership and community development skills
- Passionate about helping youth in your community
- Able to dedicate some time to a community youth project
- Able to commit to the project from March to December

**... Then fill out this application form and get it back to Youth Development Coordinator Tessa Johnstone by March 12, 2010. There are only 8 spots available, so get in quick!**

*This project was made possible by the kind support for The G Trust, Presbyterian Support, St Andrew's on The Terrace, and Rotary Wellington*
